

MNRS ANNUAL CONFERENCE 2017
PEDIATRIC RESEARCH INTEREST GROUP (RIG)

Meeting was called to order. Both the Chair and Co-Chair were unable to attend.

I. Introductions

- a. Each attendee stated their name, position and area of research
- b. An attendance sheet was circulated and included name, institution, email address, and willingness to be a reviewer for the RIG if needed

II. Presentation by the RIG's Dissertation Award winner

- a. Name: Ashley Weber, Case Western Reserve University
- b. Title: Oxytocin Trajectories in Extremely Premature Infants during NICU Hospitalization
- c. Plaque was not available at the RIG meeting for presentation. The plaque was presented to Ashley during the conference at a later time.

III. Volunteer for Co-Chair for the Pediatric RIG for next year

- a. Barbara Giambra, Cincinnati Children's Hospital

IV. Discussion

- a. Not clear if this RIG has a symposium for next year
- b. Next year both the Early and Experienced Researcher Awards will be presented
- c. These are topics that might also be symposium topics
 - i. Translation science, implementation science, dissemination
 - ii. Overcoming barriers to research in general and in pediatrics, e.g. funding, recruitment, etc.
 - iii. Lifespan research, trauma informed research, adverse childhood experiences (ACEs)
- d. Goals for the RIG in the next year.
 - i. Provide support/mentorship for new investigators
 - ii. Address the need to increase nurses entering pediatrics for practice and research
