Spotlight on RIG Members

Just FYI!

We would like to spotlight a RIG member in each newsletter issue in efforts to increase awareness of the wonderful work being done by our colleagues. If you are interested in being featured, please contact Tanya Trotter at tanya.trotter@ndus.edu and share a brief biography (250 words or less) along with your CV and a picture via email.

RIG Members on The Move!

Decision-Making RIG members Dr. Ronald Hickman and Co-Chair Tanya Trotter (pictured here) both attended the NINR Precision Health: Smart Technologies, Smart Health Symposium at NIH this past July. This symposium is a 1-week intensive research

training course designed to increase the research capability of graduate students, faculty, and clinicians. Then 2018 course focused on digital health data and technologies that enable "smart health" and improved patient outcomes. Please contact Tanya Trotter at tanya.trotter@ndus.edu for further details on this experience.

Happy Fall Season!
