

Name: Heather Hardin, PhD, RN
Current Title: Assistant Professor
Affiliation: Case Western Reserve University
Candidate for: MNRS Board Member at Large

Personal Statement:

My primary qualifications to serve on the MNRS Board of Directors are my experiences as Director-at-Large of the Board of Directors, as founding Co-Chair of the MNRS Emerging Scholars Network (ESN) Committee, and as a member of the MNRS Membership Committee. In order to sustain MNRS, we must recruit and retain early career nurse scientists. My experience with the ESN and Membership Committees has provided me with a foundation for this work. I look forward to representing MNRS members as we work together to develop long-term support of this organization.
