

JOIN US: March 27, 2019 8:00am -12:00pm

## Workshop 1:

# Toolbox for Collecting and Integrating Environmental and Occupational Exposure Data

Learn from nationally recognized environmental health nurse researchers sharing from research funded by NIH, NSF, WHO, and more:

Barbara Polivka, University of Kansas Medical Center School of Nursing |  
Luz Huntington-Moskos, University of Louisville, School of Nursing |  
Jessica Castner, Castner Incorporated | Azita Amiri, University of  
Alabama in Huntsville, College of Nursing

All presenters affiliated with the Alliance of Nurses for Healthy Environments Research Work Group

This workshop will introduce learners to populations vulnerable to the health effects of poor air quality and exemplar environmental modification interventions. The workshop is focused on providing nurses with introductory familiarity with a variety of environmental exposure assessment methods.

Date: March 27, 2019 8am – 12 noon,

Place: 43rd Annual Midwest Nursing Research Society (MNRS) Annual  
Conference  
Kansas City, MO  
Kansas City Marriott Downtown
