RIG Activity Moving Forward

RIG Purpose:

The purpose of the Research thru Academic-Clinical Partnerships RIG is to build regional collaboratives and MNRS resources that will facilitate the start-up, conduct, translation and dissemination of nursing research and evidence-based practices (EBP)

Planned RIG Symposium Title(s) and Theme(s) during Upcoming Year:

Not till 2021

Planned RIG Award(s) during Upcoming Year:

Outstanding Academic-Clinical Partnerships

Exploring the addition of an award for an outstanding project (research or EBP) reflective of partnership

Additional RIG Goals and Objectives for Upcoming Year:

Continue descriptive research study

Continue writing manuscript for publication

New initiative to explore a consortium for multi-site collaborations to share resources and learn from other insitutions. Goal is to send out a survey to identify interest from group members.

RIG Goals and Objectives for Next Three Years:

Same as above and continue to explore options for partnerships
