

Paul Richard Clark  
[paul.clark.1@louisville.edu](mailto:paul.clark.1@louisville.edu)

Paul Clark holds a PhD in nursing (2010) as well as Masters degrees in nursing (2006) and theology (1997). He is an Assistant Professor at the University of Louisville School of Nursing and a System Educator for Norton Healthcare (both in Louisville, KY). Paul's research focus centers on Health Services Research, improving the safety and quality of in-patient care. He partners with bedside & stretcherside nurses in projects such as developing a critical incident debriefing process with pediatric nurses and improving perinatal loss care.

### **Funded Research**

2017 – current: Principal Investigatory, *Resilience, moral distress, and workplace engagement in emergency department nurses*, American Nursing Foundation Sayer Memorial Scholar research grant. \$5,000.

**Publications:** <sup>1</sup> = Peer reviewed. <sup>2</sup> = Data based research. <sup>3</sup> = Student co-author.

<sup>1,2</sup> **Clark, P.**, Polivka, B., Zwart, M.<sup>3</sup>, & Sanders, R.<sup>3</sup> (2019). Pediatric emergency department staff preferences for a critical incident stress debriefing. *Journal of Emergency Nursing*, 45(4), p 403 - 410. <https://doi.org/10.1016/j.jen.2018.11.009>

<sup>1,2</sup> Wolf, L.A., Delao, A.M., Perhats, C., **Clark, P.R.**, Moon, M.D., & Zavotsky K.E. (2019). Emergency nurses' perceptions of risk for firearm injury and its effect on assessment practices: A mixed methods study. *Journal of Emergency Nursing*, 45(1), p 54 - 66. <https://doi.org/10.1016/j.jen.2018.09.010>

### **Presentations** (Invited, scholarly)

**Clark, P.** (2019) Wrap Yourself in Resilience Now to Protect Your Professional Nursing Future! *University of Texas Health, San Antonio, School of Nursing Commencement Ceremony*. (Commencement Speaker, May 19<sup>th</sup>, 2019)

Candace C. Harrington, PhD, DNP, APRN, AGPCNP-BC  
Assistant Professor  
University of Louisville School of Nursing  
[candace.harrington@louisville.edu](mailto:candace.harrington@louisville.edu)

Dr. Harrington is new to the RIG and MNRS from SNRS and North Carolina. She recently finished her PhD and is in the early stages of dissemination. She completed the 3rd revision of an evidence-based clinical practice guideline for assessing heart failure in long-term care settings and is preparing to test the model in its entirety within the next year. Two publications have resulted from that:

**Harrington, C. C. (2019).** Evidence-based practice guideline: Assessing heart failure in long-term care facilities. *Journal of Gerontological Nursing* 45(7), 1-24.  
doi:10.3928/00989134-20190409-01

**Harrington, C. C. (2019).** Assessing Heart Failure in Long-Term Care Facilities. In H. K. Butcher & R. M. M. Maas (Eds.), *Series on Evidence-based Practice Guidelines*. Iowa City, IA: The University of Iowa College of Barbara and Richard Csomay Center for Gerontological Excellence.

Marie-Anne S. Rosemberg, PhD, MN, RN  
Assistant Professor  
University of Michigan, School of Nursing

Dr. Rosemberg's latest article is:

**Rosemberg, M-A.,** Boutain, D., & Tsai, J, H-C. ( May 2019, In press). Occupational health research beyond the work setting: Inclusive inquiry with ethnic minority and immigrant workers. *Ethnicity & Health*.

**Rosemberg, M-A.,** Boutain, D., & Tsai, J, H-C. (2019). Occupational health research beyond the work setting: Inclusive inquiry with ethnic minority and immigrant workers. *Ethnicity & Health*.

Additional publications for this 2019 year include:

Rosemberg, M. A. S., Li, Y., McConnell, D. S., McCullagh, M. C., & Seng, J. S. (2019). Stressors, allostatic load, and health outcomes among women hotel housekeepers: A pilot study. *Journal of occupational and environmental hygiene*, 16(3), 206-217.

Li, Y., Rosemberg, M. A. S., Dalton, V. K., Lee, S. J., & Seng, J. S. (2019). Exploring the optimal allostatic load scoring method in women of reproductive age. *Journal of advanced nursing*.

Sandra L Siedlecki PhD RN APRN-CNS  
Senior Nurse Scientist  
Nursing Institute Office of Research & Innovation  
Cleveland Clinic  
Office: T4-46 (216) 444-3896

Dr. Siedlecki will be inducted as a fellow in the American Academy of nursing on October 26<sup>th</sup> 2019. Her publications include:

**Siedlecki, S. L.** (2019). Tips for developing good questionnaire items. *Clinical Nurse Specialist*, 33(6)

Mau, K. A., Fink, S., Hicks, B., Brookhouse, A., Flannery, A. M., & **Siedlecki, S. L.** (2019). Advance d technology leads to earlier intervention for clinical deterioration on medical/surgical units. *Applied Nursing Research*, 49, 1-4.

**Siedlecki, S. L.** (2019). Pilot or feasibility studies: An option for the clinical nurse specialist. *Clinical Nurse Specialist*, 33(5)

Rezash, V., Reed, J., Gedeon, B., Parsons, E., **Siedlecki, S.**, Daniels, B., & Shephard, D. R. (2019). Who needs what? Perceptions of patients and caregivers in oncology phase I Trials. *Journal of Patient Experience*, 6, (1), 1-7. <https://doi.org/10.1177/2374373519830743>
