Hello RIG Members,

We hope that you are enjoying your summers!

On behalf of the leadership team, we wanted to let you know that we are planning on submitting a competitive symposium application for presentation consideration at our annual conference (April 2020). Please be on the lookout for details relative to the topic and abstract submission which will be forthcoming later this month.

The student leadership team has also met & are developing plans for many exciting activities for student researchers in our RIG. We would like any students who are interested in participating in student related activities to contact Megan Flanigan, PhD student at (flanig21@msu.edu)

Sincerely, Rebecca

Rebecca Lehto, PhD, RN, FAAN
