

*Nominations Available: August 11, 2020*

*Deadline for Submission: October 6, 2020*

**Purpose:**

The Lifetime Achievement Award recognizes an MNRS member who has significantly advanced the profession of nursing either through an extensive program of research or creation of environments where research can flourish, and whose distinguished career yielded outstanding and noteworthy accomplishments.

**Eligibility Requirements:**

Nominees for this award must be regular or retired members of MNRS in good standing. Nominees must agree to attend the Annual Conference and the Awards Ceremony.

**Nominations will be evaluated based on the following criteria:**

- Significance of contributions to nursing science
- Scope and quality of career accomplishments supporting nursing research
- Extent of recognition as a mentor of nurse scientists and/or facilitator of nursing science

**Nomination Application Information should include:**

- Full Curriculum Vitae (CV)
- Narrative summary statement of no more than 300 words about the applicant's accomplishments and/or contributions
- Two (2) letters of support that detail the nominee's significant contribution to nursing research
