Acute & Critical Care Across the Lifespan Research & Implementation Interest Group (RIIG) is pleased to offer a call for abstracts for a proposed Competitive Symposium titled: Innovations in Acute & Critical Care Across the Lifespan. Appropriate topics for this symposium include but are not limited to research related to:

- Conceptual/theoretical approaches
- Reviews of literature
- Evidence-based clinical application
- Empirical studies
- Unique challenges and solutions in Acute and Critical Care research and implementation

Abstracts are to be limited to 350 words and include the following: Purpose/Background, Framework, Methods, Results, Conclusions.

Email Abstracts to the RIIG Chair: Anna Krupp (anna-krupp@uiowa.edu)

Abstracts will be scored by the RIIG's abstract review committee according to significance, innovation, and fit with the proposed theme. One Competitive Symposium of the top 3-5 abstracts and/or invited panelists will be submitted to the Program Planning Committee for a blind peer review. The primary author will be notified of their inclusion status for the submitted symposium by August 6, 2021, and, if included in the submitted symposium, of the final acceptance status by September 8, 2021.

PLEASE NOTE: Authors of abstracts which are not selected may submit to the General Call for Competitive Abstracts, which is open August 9, 2021. The deadline to submit Competitive Abstracts is October 22, 2021.
