PHYSIOLOGY, BEHAVIOR AND GENOMICS SOCIETY RIIG

CALL FOR COMPETITIVE SYMPOSIUM ABSTRACTS

SYMPOSIUM TITLE: CELLS TO SOCIETY ACROSS THE LIFESPAN AND GENOTYPE TO PHENOTYPE

DEADLINE TO SUBMIT ABSTRACTS: JULY 23, 2021 by 11:59pm EDT

PHYSIOLOGY, BEHAVIOR AND GENOMICS SOCIETY RIIG is pleased to offer a call for abstracts for a proposed Competitive Symposium titled “Cells to society across the lifespan and genotype to phenotype.” Appropriate topics for this symposium include but are not limited to research related to:

- Biological mechanisms of symptoms
- Symptoms science across diverse populations
- Epigenetic influences on symptoms and/or disease
- Associations between behavior, physiology, and genetics

From June 30, 2021 – July 23, 2021, abstracts can be emailed to Bincy Joshwa (bincy.joshwa@wayne.edu) by the primary author. Abstracts are to be limited to 350 words and include the following: Purpose/Background, Framework, Methods, Results, Conclusions.

Abstracts will be scored by the RIIG’s Symposium Committee according to significance, innovation, and fit with the proposed theme. One Competitive Symposium of the top 3-5 abstracts will be submitted to the Program Planning Committee for a blind peer review. The primary author will be notified of their inclusion status for the submitted symposium by August 6, 2021 and, if included in the submitted symposium, of the final acceptance status of the symposium by September 8, 2021.

PLEASE NOTE: Authors of abstracts which are not selected may submit to the General Call for Competitive Abstracts, which is open until October 22, 2021.

Please send your abstracts to: Bincy Joshwa (bincy.joshwa@wayne.edu)
