

Family Health Research & Implementation Interest Group

SENIOR NURSE SCIENTIST AWARD

2022

PURPOSE OF THE AWARD

The purpose of the award is to recognize a nurse researcher with an established record of research in family health nursing. One award will be given at least *every other year* at the MNRS Annual conference Family Health Research Section Business Meeting.

CRITERIA FOR THE AWARD

- Holds a doctoral degree.
- Is at least 10 years beyond obtaining their terminal degree.
- Has an established program of research that has enhanced the science, policy, and/or practice of family health nursing (e.g. external funding for research, clear progression of research in an identified area, national and/or international presence, and sustained record of scholarly work) .
- Has a publication record that reflects an ongoing contribution to the science and/or practice of Family Health nursing.
- Has presented at the regional, national, and international level.
- Demonstrates evidence of mentoring student and/or junior investigators in scholarship development (e.g. record of co-authorship supporting mentee as primary author, serves as a Co-Investigator or Consultant for junior faculty on funding applications, and support as chair or committee member for graduate/doctoral students).
- Evidence of leadership in professional organizations that enhance nursing scholarship/family health nursing.

ELIGIBILITY REQUIREMENTS

- The applicant must be a member of MNRS and the Family Health RIIG Section.

SUBMISSION REQUIREMENTS

- Nomination letter (Note: applicant may self-nominate or be nominated for this Award by a MNRS member). In the letter, provide a summary of the research area in family health nursing and describe how the applicant meets the criteria.
- Nominee's Curriculum vitae.
- Indication of agreement that the nominee, if selected as the awardee, will register, attend and briefly disseminate his/her research activities at the annual business meeting and other assigned venues (e.g., posting materials to Family Health RIIG Section Website or media site).

NOTIFICATION

The award recipient will be notified mid-December. The award will be presented at the Family Health RIIG Section Meeting during the Annual Research Conference. The awardee must be present to receive the award and will be invited to provide a brief presentation (up to 10 minutes) of her/his research at the section meeting and electronically share the nomination summary with section members.
