CALL FOR COMPETITIVE SYMPOSIUM ABSTRACTS

SYMPOSIUM TITLE: Measurement and Assessment Techniques to Enhance the Science of Nursing Education

DEADLINE TO SUBMIT ABSTRACTS: JULY 22, 2022 by 11:59pm CST

The theme of the symposium is exploration of evidence-based measurement and assessment techniques utilized to enhance the science of nursing education. The ever-changing healthcare environment creates continuous needed changes in nursing education. It is crucial to consider evaluation of teaching and learning during these changes. Abstracts that address topics such as the Next Generation NCLEX®, The Essentials: Core Competencies for Professional Nursing Education (AACN 2021), teaching modalities, competency-based assessment, clinical judgment, inter/intra-professional education, tool development, instrument utilization, among others are sought for competitive submission.

From June 28, 2022 to July 22, 2022, abstracts can be emailed to Angela Andrews (anstutz@siue.edu) by the primary author. Abstracts are to be limited to 350 words and include the following: Purpose/Background, Framework, Methods, Results and Conclusions. Works in progress may be submitted if the results will be available by March 2023.

PLEASE NOTE: Authors of abstracts which are not selected may submit to the General Call for Competitive Abstracts, which opens June 28th.
