

Gerontological Nursing Science RIIG COMMUNITY PARTNERSHIP AWARD

Deadline: DECEMBER 6, 2022 by 5:00 PM EST

PURPOSE OF THE AWARD: The purpose of the award is to recognize a Gerontological Nursing Science Research and Implementation Interest Group (GRIIG) member and a community partner with an established record of partnering together in the conduct and dissemination of research in Gerontological Nursing. Examples of community partners may include community advisory boards, organizations, and/or representatives of organizations. One award will be offered at least *every other year* at the MNRS Annual Conference Gerontological Nursing Science RIIG Business Meeting.

CRITERIA FOR THE AWARD

- The GRIIG member and community partner have worked closely together in the design, conduct, evaluation, and dissemination of the research.
- The GRIIG member has an established program of research that has enhanced the science and/or practice of Gerontological Nursing Science.
- The community partner has been involved in dissemination of the research. This may include, but not be limited to assisting in the dissemination to the local community.

ELIGIBILITY REQUIREMENTS

- The GRIIG member nominee must be a current member of the RIIG.

EVALUATION:

- Final selection will be based on the above criteria, including the merits and applicability of the research to Gerontological Nursing Science.

SUBMISSION REQUIREMENTS

- Current curriculum vitae of the GRIIG member nominee.
- Nomination letter. In the letter, provide a summary of the community partnership for research in the area of Gerontological Nursing Science and describe how the partnership, including the activities and qualifications of the GRIIG member and community partner, meet the criteria. (Note: GRIIG member nominee may self-nominate or be nominated for this Award by another MNRS member.)
- Indication of agreement that the GRIIG member nominee and a representative of the community partner, if selected, will attend (in person or virtually) the MNRS award ceremony to accept the award. Additionally, the GRIIG member awardee will register, attend, and briefly disseminate the research activities of this community partnership at the annual business meeting and other assigned venues (e.g., posting materials to Gerontological Nursing Science website or media site).

NOTIFICATION

The applicants will be notified of the GRIIG Awards Committee decisions by January 31, 2023, prior to the 2023 MNRS Annual Research Conference. The GRIIG member and community partner awardees are strongly encouraged to attend the virtual GRIIG meeting held prior to the conference to provide a brief oral presentation (up to 5 minutes) of their research. In addition, RIIG awards will be presented during the Annual Research Conference, and each awardee is strongly encouraged to be present to receive the award.

Please send all submission requirements to:

Gerontological Nursing Science RIIG PhD DISSERTATION AWARD

Deadline: DECEMBER 6, 2022 by 5:00 PM EST

PURPOSE OF THE AWARD

The purpose of this award is to recognize the contribution of a nurse whose doctoral dissertation is exceptionally meritorious and exemplifies high standards of scholarship and knowledge development in the field of Gerontological Nursing Science.

CRITERIA FOR THE AWARD

- The dissertation addresses an important problem or critical barrier to progress in the field of Gerontological Nursing.
- The dissertation seeks to shift current research or clinical practice paradigms by utilizing novel theoretical concepts, approaches or methodologies, instrumentation, or interventions.
- The overall strategy, methodology, and analyses are well-reasoned and appropriate to accomplish the specific aims of the project.
- The dissertation exerts potential for a sustained and powerful influence on Gerontological Nursing.

ELIGIBILITY REQUIREMENTS

- The applicant must be a regular or student member of MNRS and of the Gerontological Nursing Science Research and Implementation Interest Group (GRIIG).
- The applicant must provide documentation that the dissertation was successfully completed (defended) between September 2020 and November 2022.
- The applicant can be either self-nominated or nominated by a current MNRS member (regular, student, or retired).

SUBMISSION REQUIREMENTS

Each nomination packet should include:

- Current curriculum vitae of the nominee.
- One letter of support that addresses the impact of the dissertation on the field of Gerontological Nursing.
- Dissertation abstract that highlights the significance and innovative approach and summarizes the overall impact of the research.

NOTIFICATION

The applicants will be notified of the GRIIG Awards Committee decisions by January 31, 2023, prior to the 2023 MNRS Annual Research Conference. The awardee is strongly encouraged to attend the virtual GRIIG meeting held prior to the conference to provide a brief oral presentation (up to 5 minutes) of their research. In addition, RIIG awards will be presented during the Annual Research Conference, and each awardee is strongly encouraged to be present to receive the award.

Gerontological Nursing Science RIIG DNP PROJECT AWARD

Deadline: DECEMBER 6, 2022 by 5:00 PM EST

PURPOSE OF THE AWARD: The purpose of this award is to recognize the contribution of a nurse with a DNP project that exemplifies high standards of scholarship and creativity in Gerontological Nursing. One award will be given to an individual who completed a DNP project between September 2020 and November 2022.

CRITERIA FOR THE AWARD

The criteria for this award include a DNP project that:

- Addresses a phenomenon of significant concern to Gerontological Nursing.
- Synthesizes pertinent literature.
- Uses a clearly articulated Evidence-based Practice (EBP) approach.
- Demonstrates consistency between study questions and selected EBP methods.
- Analyzes the results within the framework of existing literature.
- Addresses implications for future directions and provides clinical implications.

ELIGIBILITY REQUIREMENTS

- The applicant must be a regular or student member of MNRS and of the Gerontological Nursing Science Research and Implementation Interest Group.
- The applicant must provide documentation that the DNP project was successfully completed and approved by the major doctoral advisor between September 2020 and November 2022.
- The applicant can be either self-nominated or nominated by a current MNRS member (regular, student, or retired).

SUBMISSION REQUIREMENTS

Each nomination packet should include:

- Current curriculum vitae of the nominee.
- One letter of support that addresses the significance of the nominee's DNP project to Gerontological Nursing Science and/or practice.
- Electronic copy of a 3–5 page summary of the completed project that addresses the award criteria.

NOTIFICATION

The applicants will be notified of the GRIIG Awards Committee decisions by January 31, 2023, prior to the 2023 MNRS Annual Research Conference. The awardee is strongly encouraged to attend the virtual GRIIG meeting held prior to the conference to provide a brief oral presentation (up to 5 minutes) of their research. In addition, RIIG awards will be presented during the Annual Research Conference, and each awardee is strongly encouraged to be present to receive the award.

Gerontological Nursing Science RIIG SENIOR NURSE SCIENTIST AWARD

Deadline: DECEMBER 6, 2022 by 5:00 PM EST

PURPOSE OF THE AWARD: The purpose of the award is to recognize a nurse researcher with an established record of research in Gerontological Nursing. One award will be given at least *every other year* at the MNRS Annual Conference Gerontological Nursing Science RIIG Business Meeting.

CRITERIA FOR THE AWARD

- Holds a doctoral degree.
- Has an established program of research that has enhanced the science and/or practice of Gerontological Nursing Science.
- Has a publication record that reflects an ongoing contribution to the science and/or practice of Gerontological Nursing Science.
- Has presented at the regional, national, and international level.
- Demonstrates evidence of mentoring student and/or junior investigators in scholarship development.

ELIGIBILITY REQUIREMENTS

- The applicant must be a member of MNRS and the Gerontological Nursing Science RIIG.

EVALUATION:

- Final selection will be based on the above criteria, including the merits and applicability of the research to Gerontological Nursing Science.

SUBMISSION REQUIREMENTS

- Current curriculum vitae of the nominee.
- Nomination letter (Note: Applicant may self-nominate or be nominated for this Award by a MNRS member). In the letter, provide a summary of the research area in Gerontological Nursing Science and describe how the applicant meets the criteria.
- Indication of agreement that the nominee, if selected as the awardee, will register, attend, and briefly disseminate his/her research activities at the annual business meeting and other assigned venues (e.g., posting materials to Gerontological Nursing Science website or media site).

NOTIFICATION

The applicants will be notified of the GRIIG Awards Committee decisions by January 31, 2023, prior to the 2023 MNRS Annual Research Conference. The awardee is strongly encouraged to attend the virtual GRIIG meeting held prior to the conference to provide a brief oral presentation (up to 5 minutes) of their research. In addition, RIIG awards will be presented during the Annual Research Conference, and each awardee is strongly encouraged to be present to receive the award.
